

The Time Detective

Solving your family history mysteries

family history

INTRODUCTORY RESEARCH PACKAGE

The Introductory Research Package from *The Time Detective* includes two hours of dedicated family research and one historical birth, death or marriage certificate from the General Register Office of the United Kingdom. The total value of this research package is usually £89.25 all inclusive of expenses but we are offering it for **£60 only**. This is a 33% discount on our usual fees and expenses. It is a great way to begin the journey to uncovering your family history mysteries.
